NOTE: Each team will be required to scorekeep at least 1 time during the preliminaries and 1 time in the playoffs. **Please look at the schedule below for your team name in parentheses which designates your teams work assignments. Failure to keep score will result in a loss to your team.** Thank you in advance for your help.

Preliminary Round: In Group B and Group C, each team will play those in their group. The winners of the first game between Group B and Group C will play each other. The Group D team will play the losing teams of the first game of Group B and Group C. Each team will have played in two preliminary games.

Playoff Seeding: All five teams based on won-loss record will advance into the championship round and will be seeded 1 thru 5. Any ties will be determined by head to head and/or point differential. If after the seeding process is complete and the first match up results in a game where two teams have already played, then we will move a team down a seed or up a seed at the discretion of the tournament organizer. There is no reason to be playing the same team again if it can be avoided. This will allow for a more favorable match up.

Note: Please report to the court you are designated to play at least 30 minutes before the scheduled start time because we will be looking to start games immediately after the previous game is finished. Failure to do so may result in a forfeit for your team.
